STANDARD OPTIONS

Applied Molding Profiles

Six standard profiles for picture-frame layouts, captured-panel borders, and Door Lite borders.

01		**Blaine** **5/8 in high x 2-1/2 in wide**	
02		**Miranda** **7/8 in high x 1-5/8 in wide**	
03		**Dalbogh** **11/16 in high x 3 in wide**	
04		**Digby** **5/8 in high x 1-9/16 in wide**	
05		**Delta** **5/8 in high x 1-1/8 in wide**	
06		**Bonneville** **1/2 in high x 2 in wide**	

Unless requested otherwise, molding frames are built in picture-frame style.
Shown are stock profiles. Other profiles are available at additional cost and lead time.
Moldings are solid wood and stained to match. Bonneville is available in High Pressure Laminate and Compact Laminate.
Offered profiles are subject to change without notice.
Refer to actual samples to confirm selection. **Request Samples**
