X Style is the default style unless another style is specified.
Double Z Style, Double Z Arrow Style, Single X, and Double X require a midrail.
Moldings are 4 inches wide and made from the door material. They are applied to the front face by default; both faces are available.
Barn X doors and panels are limited to 72 inches in height for all styles.
Barn X is available in High Pressure Laminate, Wood Veneer, and Compact Laminate.
Standard Barn X styles are subject to change without notice.
